

Update Bulletin 2.5.0.0

Hello

Portions of the current update have been requested by various users and have finally made their way to the runtime version. Since many features are packed together a special bulletin beyond the standard “What’s New” text has been provided.

Admin

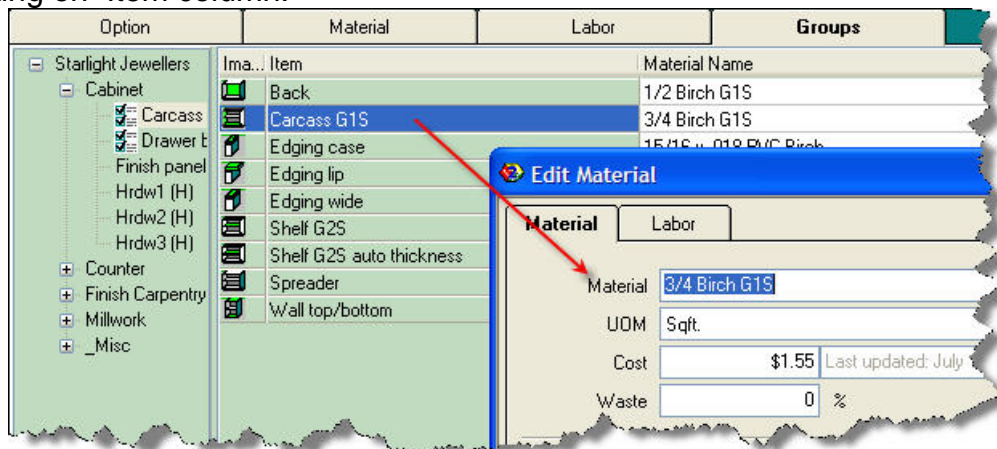

Material

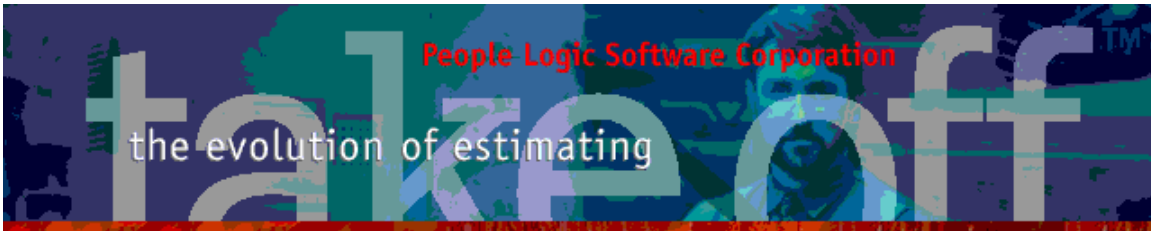

Unit costs of material may be adjusted by *percentage* of original cost. This also applies to “multi-edit” from grid

Groups

Edit material dialog may be directly accessed from *Groups* by double clicking on *Item* column.

Catalog

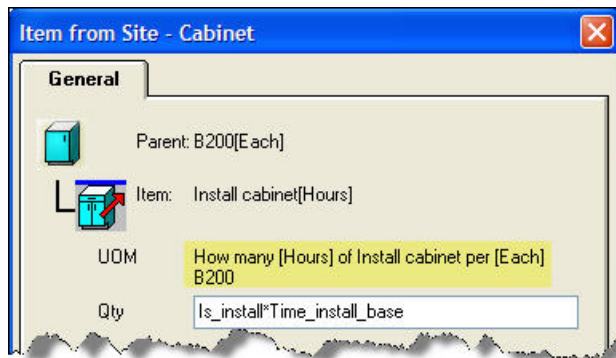

Grid

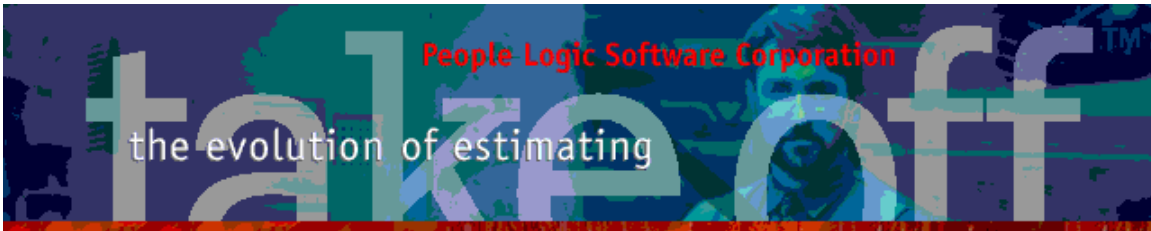

Item path added to grid. This shows where the item has been selected from.

		Carcass	Door/Drawer	
Type	Library\Category			Qty
Sub-Assembly	Cabinet\ Carcass			Iff(Qty_fe=0,1,0)
Sub-Assembly	Cabinet\ Carcass			Iff(Qty_fe=2,1,0)
Sub-Assembly	Cabinet\ Carcass			Iff(Qty_fe=1,1,0)
Part	Cabinet\ Carcass			Qty_divider
Labor	Manufacturing\ Miscellaneous			Qty_extra_labor
Part	Cabinet\ Carcass			Qty_shelf_adj*Total
Part	Cabinet\ Carcass			Qty_shelf_fix*Total
Labor	Manufacturing\ Cabinet fab.			Time_attach_panel
Labor	Site\ Cabinet			Is_install*Time_inst

Quantity Description

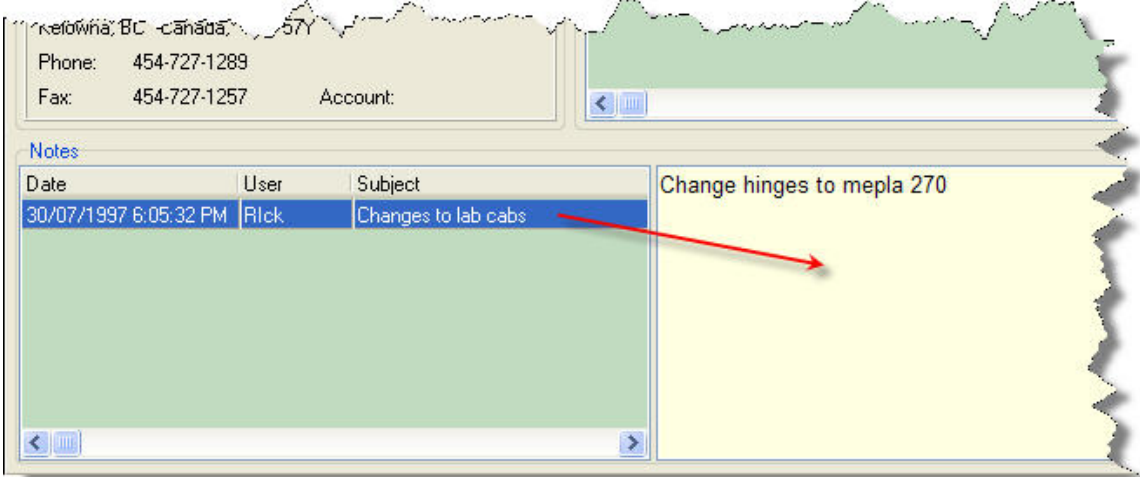

The Quantity has been made more readable based on the parts being added.

Contact

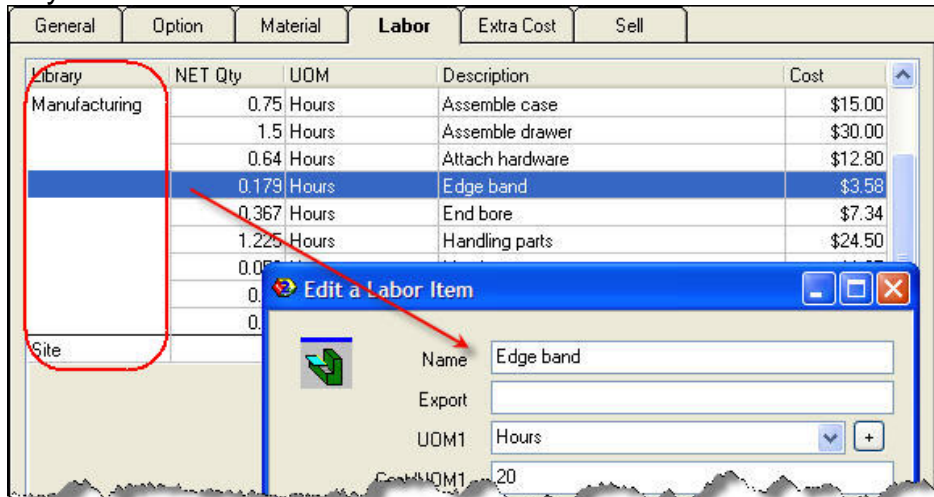

Contact notes are now displayed while scrolling without using editor.

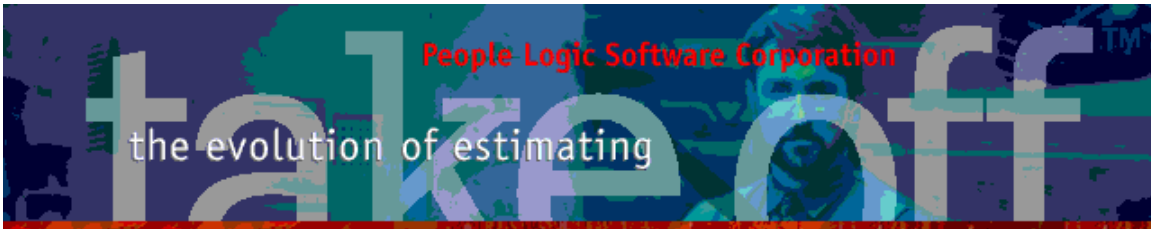

Takeoff

Edit Labor

Labor unit cost may be edited directly from labor grid by doubleclick. Items grouped by labor libraries.

Edit Material

Material items grouped by Material libraries.

General	Option	Material	Labor	Extra Cost	Sell
Interior	Finish	Hardware			
Cab-Birch	Cab-Birch	Default(H)			
Library	Net Quantity	UOM	Description	Cost	
Edging	25	Linft.	15/16 x .018 PVC Birch	\$3.00	
	28	Linft.	15/16 x 1/8 PVC Birch	\$11.76	
Hardware	48	Each	8mm Beech Dowell	\$0.48	
	4	Pair	Blum bs230 20	\$12.00	
	4	Each	Chrome 4 inch wire D pull	\$2.40	
	4	Each	Kenstin cabinet lock	\$100.00	
Sheet Goods	24	Sqft.	1/2 Baltic beech	\$37.20	
	25	Sqft.	1/2 Birch G1S	\$35.00	
	25.833	Sqft.	3/4 Birch G1S	\$40.04	
	10	Sqft.	3/4 Birch G2S (Door grade)	\$17.50	

Edit Options

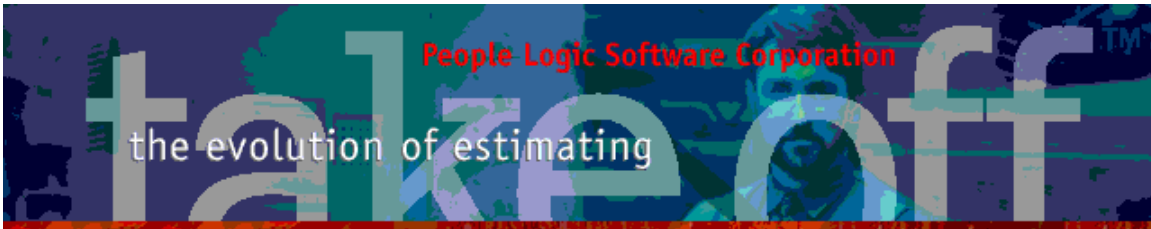

Non zero option values shown as blue.

General	Option	Material	Labor	Extra Cost	Sell
Description	Choice	Calculated value			
How many cutouts	0	0			
How many end caps	2	2			
How many grommets	2	2			
How many joints	0	0			
How many splash ends	0	0			
How much extra shop labor (hr)	0.0	0			
How much extra site labor (hr)	0.0	0			
Type of counteredge	Plan	0			

Grid

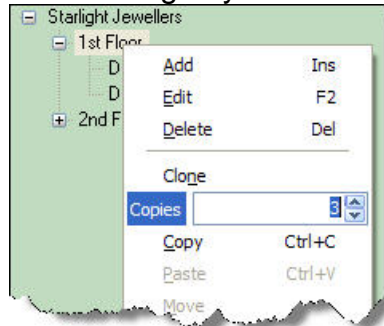

Blue = Extra items. Red = 0 cost.

ID	Qty	Units	Product	Path
20	2	Each	Filler base	Cabinet_Option
21	1	Each	B224	Cabinet_Base
22	1	Each	B244	Cabinet_Base
23	1	Each	T115	Counter_Self edge
24	0	Each	Filler wall	Cabinet_Option
25	2	Each	W210	Cabinet_Wall

Outline

Location cloning allows multiple copies. Naming attempts are made based on original location name plus indexing any included numbers.
